

FASD The BIG Picture!

Explore the puzzling behaviors of Fetal Alcohol Spectrum Disorders and learn how you can help fit the pieces together.

A resource book for persons working with individuals who have a Fetal Alcohol Spectrum Disorder (FASD)

A project of MCFARES Training Committee
2nd Printing

FASD The BIG[^]Picture!

ACKNOWLEDGMENTS

The MCFARES Coalition consists of parents of individuals living with FASD and representatives of human service agencies in Macomb County and its neighboring communities whom come together to address FASD prevention and services, support and advocacy for those living with FASD.

The Big FASD Picture! contains helpful hints and “how to” information. This resource can help parents, teachers and other professionals. All the information, web sites and phone numbers are right at your fingertips. The book helps educate and offers strategies for the person working with or caring for an individual with an FASD.

The Big FASD Picture! will help readers by showing them how to access support groups, diagnostic centers, insight to develop successful interventions for the student with Fetal Alcohol Spectrum Disorders, teaching strategies, behavior interpretation and specialized curriculum.

The Big FASD Picture! also provides guidelines and helps families and teachers personalize programs and routines to treat problem areas.

MCFARES gives special acknowledgment and thanks to:

Great Parents Macomb for assisting in initial printing costs.

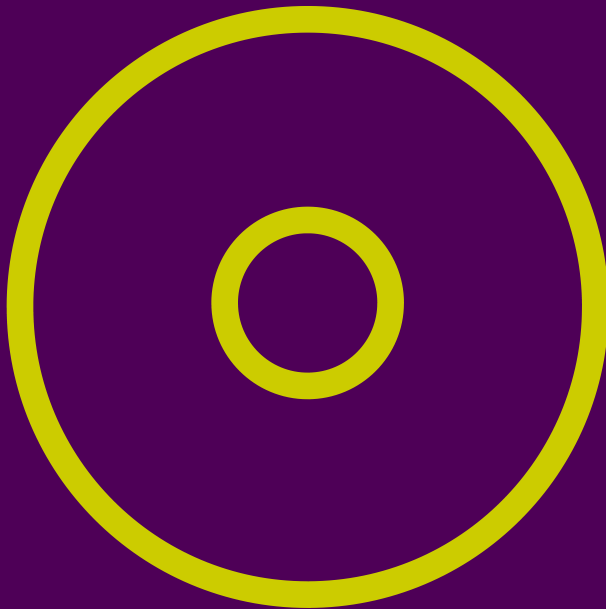

2nd Printing, April 2009
