2 Substance Abuse Contact Hours Offered

The first hour of this workshop includes *Debunking Marijuana Myths Broadcast* includes science, prevention, and law enforcement experts discussing some common myths and provide the facts. See how coalitions in Massachusetts have united to get the facts out to the public, where ballot initiatives have changed views about marijuana in the state.

Key Concepts:

- Learn how marijuana impacts brain development
- Hear why prevention experts believe marijuana in a smoked form is not medicine
- Discuss the notion of taxing marijuana much like tobacco and alcohol

The second hour of the workshop provides an opportunity for the attendees to discuss issues brought up in the broadcast, and share ideas about local concerns surrounding this topic.

Attendees must be present at the MISD for broadcast and discussion to receive substance abuse contact hours.
